

# **AMEA Project Website - Terms and Conditions**

## **1. Introduction**

This website is operated within the framework of the AMEA (ATN Multilink Expansion in European Airspace) project. The website has been designed and developed by OBIZCO SARL, acting as Communication, Dissemination and Exploitation lead within the AMEA consortium. By accessing this website, users agree to these Terms and Conditions.

## **2. Purpose of the Website**

The AMEA website provides information about project objectives, activities, results and promotes awareness of aviation multilink communication technologies. All content is for informational purposes only.

## **3. Intellectual Property Rights**

All content including texts, visuals, logos and documents are the property of the AMEA consortium or its partners. Reuse is allowed for non-commercial purposes with proper attribution.

## **4. EU Funding Disclaimer**

This project has received funding from the European Union under the Connecting Europe Facility (CEF) and is implemented under SESAR 3 Joint Undertaking. Views expressed are those of the authors only.

## **5. Limitation of Liability**

The AMEA consortium and OBIZCO SARL do not guarantee completeness or accuracy of information and shall not be held liable for any damages resulting from website use.

## **6. External Links**

External links are provided for convenience. The consortium is not responsible for their content.

## **7. Data Protection**

Personal data is processed in accordance with GDPR. Users may request access, correction or deletion of their data.

## **8. Cookies**

Cookies may be used to improve user experience and analytics. Users can manage cookies via browser settings.

## **9. Website Availability**

The website may be temporarily unavailable due to maintenance or technical issues.

## **10. Governing Law**

These Terms are governed by Belgian law and applicable EU regulations.
